

SITE INVESTIGATION STAGE (From \$100 INVESTMENT)

Below list of testing and searches normally retails for up to \$2500

- ✓ Independent Engineers soiltest
- ✓ Contour survey
- ✓ Bushfire attack level rating
- ✓ Percolation test for onsite sewerage system
- ✓ Order registered plan
- ✓ Order flood search
- ✓ Order building envelope plan
- ✓ Order as-constructed sewer and stormwater plans
- ✓ Order mining search
- ✓ Order property notes

(Not all searches and plans may be applicable or required)

Where land purchase has not been completed and block is determined to be unsuitable Dixon Homes will complete Contour Survey and searches on an additional block of land for free.

Where land purchase has been completed and selected floor plan and land are not compatible we will organise a second footing design for free.

Site Investigation Fee will be offset against total contract price.

Disclaimer. In the event that searches and/or plans are not available or not applicable the owner/s accept that the \$100 will not be refundable and the Builder may terminate Contract or may have to re-estimate the site costing and request a variation if these conditions, regulations and/or Covenant(s), etc. are different to that used, or made available after Contract is prepared, by the builder to produce the initial costings. Dixon Homes disclaims liability for action, taken or not taken, omissions, and/or costs subsequent to advice provided prior to entering into the contract due to the refusal of local Authorities and other to guarantee accuracy of data provided for site assessment purposes. All customers are required to rely on information provided by their professional advisor and notify Dixon Homes of any inconsistencies. Site Investigation Fee will not be refundable once orders have been placed.
